

Community Musicians Scavenger Hunt

Saturday, October 26, 2019

The Community Musicians Scavenger Hunt has been designed as a 'fun' event to give members of the Bristol and Plainville music community a chance to come together, share experiences and socialize.

The objective of the event is for teams to find the answers to 6 questions in the least amount of miles driven (so you'll need a road worthy vehicle with state minimums of auto insurance coverages). Once teams complete an odometer calibration run, they will receive the 6 question and a paper map. Teams then use the map to locate where the answers are, then plot out a route to get to the answer location. Once at the location, teams will search for the answers, place the answer on answer sheet, record their mileage, and proceed to the next question. Teams may use any maps in any format (paper or electronic) to determine and follow their route, but use of any electronic devices (cell phones, GPS, PDAs, tablets, etc.) to determine the shortest route or determine the answer to the question is not allowed. (Questions are located within: Bristol, Berlin, Plainville, Meriden, Southington, and New Britain)

Event is open to all members of the Bristol Brass & Wind Ensemble, the Bristol Choral Society, the Plainville Wind Ensemble and their families.

Teams must have a minimum of two team members per vehicle (driver and navigator). Maximum number of team members is limited to the number of seat belts available in the vehicle.

Start: Prospect United Methodist Church, 99 Summer St, Bristol, CT 06010

Finish: Better Half Brewing, 59 N. Main St. Bristol, CT 06010
